

WATTLE RANGE COUNCIL

BUSINESS DATA BASE

By completing the following form you will enable Council to add your details to their existing data base:

Inclusion on the data base will enable Council to:

- Send you a bi monthly Business newsletter that will contain relevant business information.
- Ensure you are kept up to date with training and event opportunities.
- Provide your details to investors and development project managers to promote the use of local business.
- Promote your business when dealing with potential new businesses/industry looking to establish within the Region.
